Date: September 1st 2016

TO: Members of Kanesatake

From: Amanda Simon, Certified Lands and Estates Manager

WILLS AND ESTATES Information Session 1 of 3 sessions in the community! Sessions will cover: 1. Estates 2. Matrimonial Real Property (ask a lawyer) (October 2016) 3. Review (November 2016)

I would like to invite community members to information and awareness session discussing wills, estates and other related issues. The date of the sessions is **Wednesday September 21st 2016** being held at the Kanehsatake Health Center Board room. In order to assist in all of the material being covered we ask that you commit to staying for the entire session of either the morning, afternoon or evening session.

As part of this session Bryan Diabo of Aboriginal Affairs Canada will present an explanation of Departmental policy regarding estate administration, settling a family member's estate, wills, their importance, and generally what to do when a loved one dies. This session will also cover material on Curatorship as well as mandates.

Second session on Matrimonial Real Property with a lawyer will be held in October 2016. The exact date will be determined.

In order to facilitate community members, we are offering the following sessions: Please register with the receptionist at the Band Office for the information session which best suits your schedule.

Participants will be rewarded with knowledge as well as a drawing for a prize for participation at each session! At the end of the 3rd session a grand prize will be drawn for those participants who attended all three sessions.

Morning Session Wednesday: 8:30 – 11:30 (3 Hours)

Afternoon Session Wednesday: 1:00 -4:00 (3 Hours)

Evening Session Wednesday: 5:00 -8:00 (3 Hours)
